
JOURNALING THE WORD

Quick guide for your daily journal entry

Scripture - What passage stuck out to you today? Take a few minutes to write the verse(s) in your journal. How does the Holy Spirit reveal his word to you as you slow down to write the text?

Observe - Reflect on the word. Why does this verse stand out today? What does this passage teach you about God? Yourself? Do you see connections with other passages you have read recently? In what ways does this point to the person and work of Jesus?

Apply - What specific actions or steps do you need to take? Reflect and journal about a few ways God can use this passage to impact your life.

Pray - Spend some time praying about what you read today. Perhaps pray the Scripture back to God, or ask the Holy Spirit to help you apply the text. You might confess sin and ask for forgiveness. Spend time giving thanks and praise to God for revealing his word and character to you.

“Man shall not live by bread alone, but by every word that comes from the mouth of God.”

Matthew 4:4

We believe the only thing better than reading the Word is reading the Word with other people.
