

DISCIPLESHIP LEADER QUICK GUIDE

What are the goals of the Discipleship Group?
Why are people coming today?

Am I prepared to:

- Greet each other warmly with the love of Christ
- Encourage participants to build relationships with one another
- Review key concepts from last week
- Resist the urge to be the expert in the room, but help people discover truths from God's word
- Work with the group to provide a few action steps for the week
- Remind the group of the commitment we made: to pursue Christ together in love
