

# Weekender Table Host Quick Guide

## Goals

- To welcome new people to ABF
- To tell people about the history, values, and ministry of ABF
- To connect people to the life of ABF
- To hear their story

## We would love to see each attender:

- Become a member or Alliance
- Serve in a volunteer capacity

Connect in a group (life group, connection group)

We realize that not everyone will choose to join our church; they might decide that ABF is not the right fit for them after the Weekender. But if they do want to engage in the life of the church, we want to make that transition as *smooth as possible*.

Weekender Hosts play an essential role in that process. **As a member of Alliance, you provide personal connection to each participant before, during, and after the event to guide each person into the church.** Each host/host couple will be responsible for up to 6 new participants.
